

CANOE DAY

AUGUST 2010

Brynn: "When the boat went out into the water, the water felt soft."

Soma: "the water was cold."

Autumn: It felt really good... that means really fun.

Myles: It was white inside and seats. It was a little wobbly.

Brynn: I got water in my face when it was going fast.

Soma: I feel like a boat, it's smooth. I actually feel warm.

Autumn: I stuck my hand in the water

Brynn: I remember that time

Jasmine: You can put your head in water. (she wasn't at canoe day, today's her 1st day)

Autumn: I know, but I'm scared of water.

Taz: I'm not scared.

Autumn: I took a bucketful and poured it on my head. (they all laugh)

Taz: You can't go underwater without a life jacket.

Myles: I did

Harlow: I did.

Taz: It feels soft and smooth when you are ~~under~~ the water but when waves are coming, it feels really, really bumpy... bumping up and down.

Autumn: I'd like to make a club for ALL people.

Natalie: a canoe club?

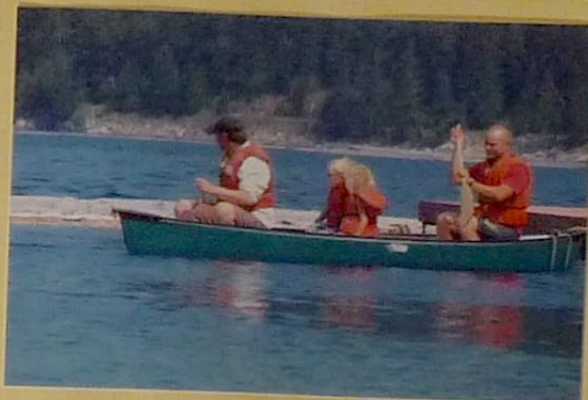

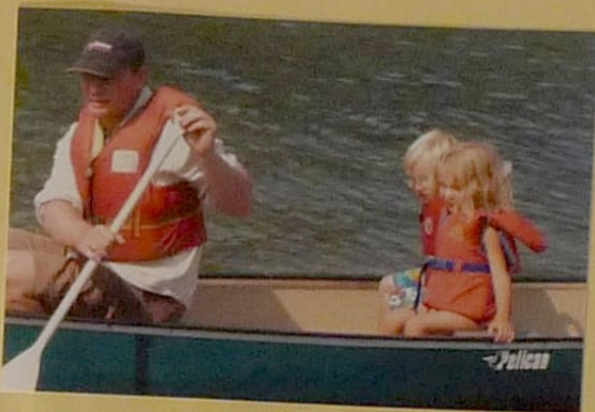

Autumn: yeh.

Jasmine: I jumped off a dock before

Myles: It was a little too wobbly. I felt it wobbling like this

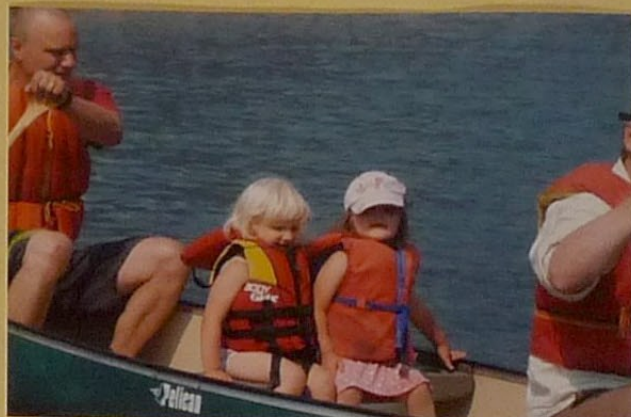

↔↕

Taz: "that's because you were in a canoe. Whenever the people tip here, the boat tips here and when the boat goes that way, the people do too."

Taz: I have with a life jacket.

Brynn: I jumped off a water slide before.

Brynn: "the boat was going fast."

Rhys is helping Oz pull
the canoe onto the
beach.

Myles: "We were looking for pirate 'X's and pirate keys. We just drew them with sticks. And we found a treasure box."

Elijah: "Look, Natalie, we found some dinosaur bones, a skeleton."

Elijah: "Look what I found. It feels kinda soft... slimy." I touched it. Do you wanna touch it? (he asks me) Take a picture of it."

Myles: "That's me floating"

Brynn: "I'm swimming!"
