This is the dirt hill and James and Tammy's house... by Mateo

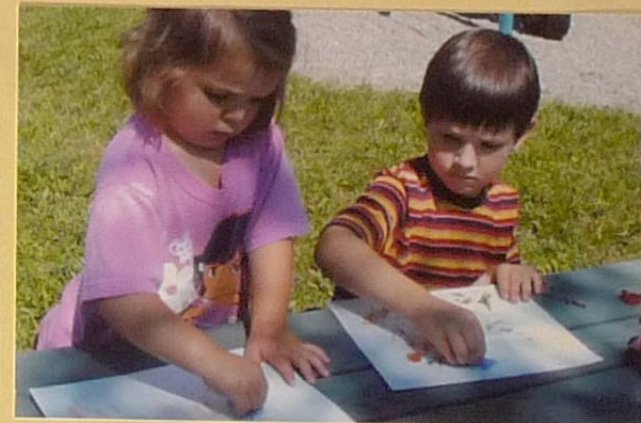

Myles: "The house opens up and then a planet comes out and then the aliens appear inside the planet. The dirt thing is attached to the house so the house doesn't fly away. Then the aliens jump out and cut the cord to release the planet."

Mateo: "This is the dirt hill and James and Tammy's house."

## Hannah's Creation:

Elijah's Process:

"See my line, Natalie?  
I'm making a line with  
the charcoal."

There's black dust on the  
hawkweed. It changed  
colour.

Elijah's Creation

I'm making the hawkweed spin to make  
that shape. Watch this. That's awesome!

Our cherries rolled off the table. Hey, there's  
hawkweed under here too!

Yarrow: "look at my fingers  
Emmett."

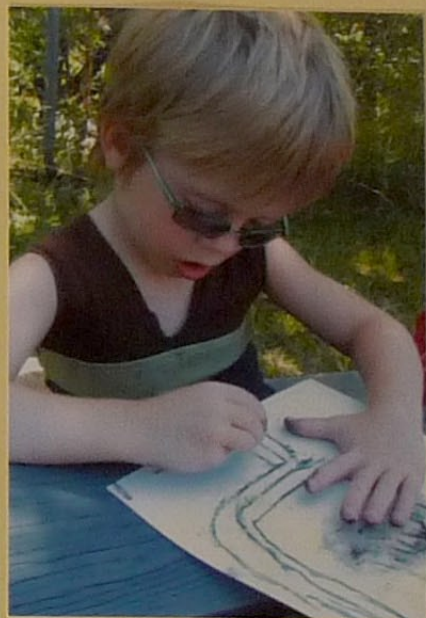

"Look, Natalie!"

Yarrow's Creation

Emmett's Process

After Emmett saw Elijah make  
a line with the charcoal pieces,  
he began to try for himself.  
"This is fun to make lines."  
"Look at all my lines, Elijah."

## Chocolate Ice Cream Princesses

Aug 11, 2010

What is a princess?

Naya: "Her has a dress on... and a crown on."

Emmett: I want to answer what a prince is. It saves the princess from dragons. The king tells all his soldiers and the prince to go and attack the dragons and a prince is a super hero.

Hannah: It has shoes on it.

Naya: Slippers! It has slippers on it.

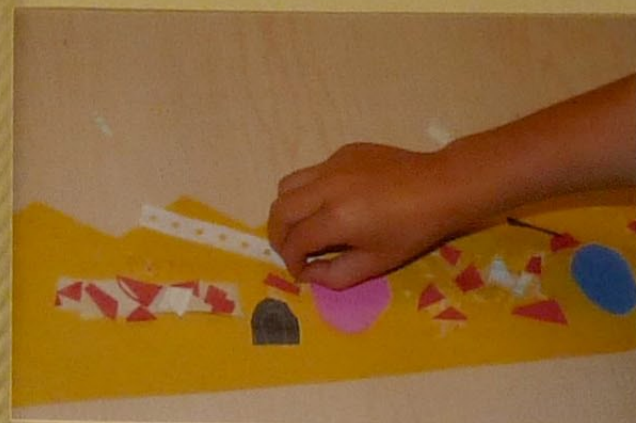

Elijah: It has glass slippers and it lives in a castle and the door has a heart on it.

Yarrow: She has a door. A prince has a dragon.

Emmett: The prince wears a belt and he has a good dragon that kills the bad dragons and the prince even has a sword and the prince puts the sword in his belt. And he always he steals treasure from bad guys and even kills the bad guys that went to take the princess to kill her.

Natalie: What is his/her job?

Emmett: To guard the castle till morning so the dragon doesn't get in."

Elijah: "I think I am going to make a door in my crown. It goes to another country, but it's really not. It has lots and lots of chocolate... actually it's called a "Chocolate World". There's a cave too you can explore. There's dinosaurs that live in the cave and but they're really not dinosaurs, just people wearing dinosaur costumes."

Hannah: "My crown goes to Halloween."
